Step-by-step assembly

1. Cut and score the Early Espresso card base at 4 1/4". Fold and burnish.

2. Emboss the 2 3/4" x 5 1/4" Old Olive two-tone cardstock using the **Softly Woven 3D Embossing Folder** and adhere it to the card front.

3. Layer the Sunflower Fields Designer Series Paper onto the Golden Glow cardstock. Adhere the layered panel to the card front. Glue only the left side of the Golden Glow CS.

4. Score the Early Espresso flap at 2". Apply adhesive to the short 2" section and attach it to the **back of the card** at the right-hand edge. Fold the longer section around the right edge and across the front. The flap opens toward the right.

5. Stamp “Thinking of You” onto the Basic White strip and attach it to the front of the flap.

6. Die-cut sunflowers from extra Golden Glow cardstock and add centers die cut from Radiant Foils Specialty Designer Series Paper and dimensionals. Stamp leaf in Old Olive ink and die-cut; arrange on the front flap.

7. Finish with coordinating gingham ribbon and embellishments. Add white card stock to inside and the narrow 1/4" x 5 1/4" decorative strip.
